REGISTRATION

8:30 AM

A free, all day coding event where students collaborate to build the best AI.

Great prizes, tons of swag, delicious food (all meals provided!), and mentors to help you build your project!

Come with a team of friends, or create a team at the event and make new ones.

We'll provide a start-up guide and mentorship.

Bring your own laptop and charger. Don't have one? Email us and let us know you need to borrow a laptop.
